

NED UNIVERSITY
OF ENGINEERING & TECHNOLOGY

Welcome Note!

It is a pleasure to send you NED QEC's 4th newsletter of 2015. We hope to make this a regular feature, and are looking forward to your feedback and comments. Its purpose is to publicise QEC activities among students and faculty members of the University.

Introduction:

NED University of Engineering & Technology is among the oldest institution of engineering education in Pakistan. It is one of the first higher education public sector engineering institution, who realised the importance of quality management and procedures in engineering education. With this vision, NED University opted for ISO-9001 certification in 1998 and finally got certified in 2002. NED University is about to complete a decade of providing engineering educa-

tion, following rigorous standardised quality management procedures, to meet the satisfaction of their customers (i.e. students in particular and industry in general).

After the advent of Quality Assurance Agency of Higher Education Commission (QAA HEC), NED University also adopted their requirements related to quality in education along with already in practice ISO Quality Management System.

QEC Objectives:

Quality Enhancement Cell (QEC) is responsible for the review of quality standards by auditing academic standards and the quality of teaching and learning in each subject area.

The core objectives of QEC are:

i) To ensure quality education at the University as per NED University Quality Policy.

i) To review quality standards and the quality of teaching and learning in each subject area.

ii) To ensure the accomplishment of the requirements of Accreditation Councils and Regulatory Bodies.

iii) To ensure that the quality and standards for the award of degrees are of international standards.

HEC Indigenous On Campus Training on “Financial Management”

QEC at NED University organized HEC Indigenous On Campus training program “Financial Management” on 16-19 October, 2015.

The training was conducted by senior experts. A total of 34 participants from managerial cadre attended the training. The aim of training was to create awareness among participants regarding the finance and accounts and develop a transparent mechanism. The training was funded by the Higher Education Commission, Islamabad

HEC Indigenous On Campus Training on “Project Management”

QEC at NED University organized 3 days Indigenous On Campus training program “Project Management” for managerial cadre of the University on 17-19 November, 2015. The training was conducted by senior experts of the field. A total of 27 participants attended the program.

The objective of this training program was to enable the participants better comprehend, in general, the project management framework and, specifically, the Project Management Key Knowledge Areas and expose Engineers, Managers and Executives to the best practices in Project Management.

HEC Indigenous On Campus Training “Organizational Systems and Behavior”

QEC at NED University organized 3 days HEC Indigenous On Campus training program “Organizational Systems and Behavior” for its front line managers on 1-3 December, 2015. The training was conducted by the field expertise Prof. Dr. Syed Amir Iqbal Chairman Industrial and Manufacturing Engineering, Prof. Dr. Sajida Zaki Chairperson Humanities Department and Dr. M. Wasif Assistant, Professor Industrial and Manufacturing Engineering. The aim of training was to develop the understanding of organizational strategies and its relationship with the organizational structure and its behavior and to develop the prospective resource managers, who are eager to implement and exercise the new trends of organizational systems.
