Fourth issue of QEC Newsletter of the year 2018 has been made readably available and accessible to all patrons. The desired objective of this periodic publication is to keep informed patrons about the latest developments and advancement in the University. Your esteemed feedback and valuable comments are always appreciated for further development and improvement of this Newsletter.

1ST INT'L CONFERENCE ON CARBON NEUTRAL BUILT ENVIRONMENT 2018

◆ NED University of Engineering and Technology in partnership with IEP Karachi hosted the 1st International Conference on Carbon Neutral Built Environment 2018. The conference was attended by several national and international delegates coming from the UK, Iraq and Australia.

Dr. Sarosh H. Lodi, Vice Chancellor & Conference Patron gave the conference overview. He stated that the Carbon Neutral Campus is an initiative related to Centennial year celebrations of NED University and the University is aiming to become a live lab for Carbon Neutrality. He invited industries to join hands in the partnership.

Prof. Dr. Muhammad Tufail, Pro-Vice Chancellor, broadly shared the idea of a Carbon Neutral Campus and the steps initiated by the University. He also stressed on the need to fill the knowledge gap pertaining to climate and environment issues. He also presented the shields to the guests.

Prof. Dr. Saad Ahmed Qazi, Conference Chair & PI indicated that the conference is the first step towards a larger strategic objective of achieving campus wide carbon neutrality, and follow up conferences would be hosted in years ahead to attain the objective. He also invited other organizations to be part of the initiative. Dr. Qazi as PI of Thar

Karachi Student Mobility Campaign also provided an overview of the project. He informed that students from Tharparkar are visiting Karachi for the very first time and this experience will enable them to broaden their exposure and help them grow into future leaders in their regions.

Engr. Sohail Bashir, Chief Guest & Chairman IEP Karachi appreciated the efforts of the NED University and hoped that other institutions will also join in the effort and play a more collective role to magnify the impact. Later, he planted a tree to kick start the initiative. The conference was also joined by Dr. Mansoor Ali from the UK, who shared his experience of carbon neutrality with the audience and provided valuable insight on the experiences of the developed world.

Honorable Minister of Women Development, Mrs. Syeda Shehla Raza, was the Chief Guest. She inaugurated CO₂ smart website and appreciated the efforts of NED University, HEC and Thar Foundation in converting an innovative technological idea into reality. Mr. Javed Memon, HEC Regional Director was the guest of honour, stressed on the need to involve more stakeholders in the carbon neutral drive of NED University for serving society and the country. Both distinguished guests also planted trees alongside students.

Engr. Saqib, Conference Secretary, thanked all the participants for making the conference successful through their submissions and presentations.

NED-DICE ENERGY INNOVATION CENTRE

◆ NED-DICE Energy Innovation Centre organized a two days event titled "DICE Energy & Water 2018" at the University on 10th-11th October, 2018.
